8<sup>th</sup> September 2025

Dear parents/ carers,

A reminder of the speech and language support provided in school:

Sherisse Green, Specialist Speech and Language Therapist (SaLT) has worked in school at Heathlands since September 2022. She provides direct speech and language therapy with identified children who need extra support. Speech therapy is always done in a collaborative approach, so that targets can be set with teaching staff and parents.

Staff also receive specialist training from Sherisse and classrooms are supported to be communication friendly.

Last academic year was another brilliant year, with Sherisse seeing children who require speech and language therapy input and our children making excellent progress with their targets.

This autumn term, Sherisse will also be joined by Bryany, a student completing her Masters in Speech and Language Therapy. Bryany is highly experienced in delivering therapy, having worked as a Speech and Language Therapy Assistant prior to completing her degree. This will be an exciting term for her working with the staff and children.

**If parents/ carers have any concerns about their child's speech, language or communication development, you can always speak with your child's class teacher, or ask to speak with Sherisse Green directly.**

Yours sincerely,

**Mrs Morgan**
