### Information Re: Headlice

Dear Parents/Carers,

It has come to our notice that there is evidence of head lice in your child's class. Such problems occur from time to time and are common to all schools.

Please would you comb your child's hair – following these instructions:

1. Divide the hair into sections.
2. Gently insert a detection comb at the bottom of a section of hair with the comb almost parallel with the scalp so that the specially designed rounded ends of its teeth will glide over the scalp without scratching.
3. Comb lightly outwards for the whole length of the hair.
4. After each stroke wipe the comb with a tissue and examine any debris found.
5. Repeat this process over the whole scalp paying particular attention to the areas behind the ears and under the fringe.

Yours sincerely,

**Mr Walker**

Executive Head Teacher

**Mrs Morgan**

Head of School
