13<sup>th</sup> April 2026

Dear Parents/Carers,

### Science lessons for Summer 1

During our science lessons in this summer half term, Year 4 will be looking at the RSHE unit Animals Including Humans. This will include the following objectives that can be found on our RSHE Progressive Overview. The full overview can be found on the school website: Curriculum - Year 1-6 Curriculum - Relationships, Sex and Health Education - RSHE Long Term Overview or RSHE Cohort Overview. We will be covering:

- To know scientific names and function of reproductive body parts.
- To know what puberty is and how it happens.
- To understand about personal boundaries and privacy.

You do not need to reply to this letter as all of these objectives are part of the statutory RSHE Curriculum, which is compulsory for all Primary aged children. However, if you have any questions about the details covered in these lessons, then please do not hesitate to get in touch with your child's class teacher who will be happy to talk you through the content of the materials and show you any lesson resources.

If you have any further questions, please do not hesitate to contact us.

Yours sincerely,

Miss Kefallinos  
**Class 4 Teacher**
