

Phonic & Reading Intervention Pathway

Targeted Phonics – phonics group intervention working on gaps, teaching phonemes and applying skills through reading and writing.

Targeted Rainbow Sheets – sheets to consolidate phonic knowledge, suited to each individual.

Pure GAP – Rigorous programme focusing on 1 phoneme per week over 3 sessions.

Literacy Gold – Programme that works on phonological awareness and improves eye engagement for reading.

Reading Fluency Project – Rigorous programme that encourages children to read as the writer intended to develop fluent reading and comprehension skills – 2 sessions a week.
